15. **MANAGEMENT DISCUSSION AND ANALYSIS**

Dhenu Buildcon Infra Limited is Non-Banking Financial Company (NBFC), primarily engaged in the business of Investment in securities. The Management discussions and analysis is given hereunder:-

INDIAN ECONOMY:

The Indian economy retained its tag of the fastest growing major economy in the world in 2018-19. However, overall growth for 2018-19 slumped to a five-year low of 6.8% compared with 7% projected in the second advance estimates released in February. Full-year growth in value added terms was lower at 6.6%, compared with 6.9% in financial year 2017-18.

NBFC's PERFORMANCE:

So far, non-banking finance companies (NBFCs) have scripted a great success story. Their contribution to the economy has grown in leaps and bounds from 8.4% in 2006 to above 14% in March 2015. In terms of financial assets, NBFCs have recorded a healthy growth—a compound annual growth rate (CAGR) of 19% over the past few years—comprising 13% of the total credit and expected to reach nearly 18% by 2018–19. Going forward, the latent credit demand of an emerging India will allow NBFCs to fill the gap, especially where traditional banks have been wary to serve. Additionally, improving macroeconomic conditions, higher credit penetration, increased consumption and disruptive digital trends will allow NBFC's credit to grow at a healthy rate of 7–10% (real growth rate) over the next five years. Clearly, NBFCs are here to stay.

PERFORMANCE IN FINANCE SECTOR:

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market. The sector comprises commercial banks, insurance companies, NBFCs, Housing Finance Companies, Co-operatives, Pension Funds, Mutual Funds and other smaller financial entities. The Reserve Bank of India (RBI) recently allowed new entities such as payment banks and small finance banks to commence operations, focusing on specific segments of transactional banking and small-ticket lending, respectively.

Some recent developments that have happened in this sector are:

- Launch of India Post Payments Bank (IPPB) for better rural penetration of banks.
- Under the Union Budget 2018-19, there has been an allocation of Rs. 3 trillion (USD 46.3 billion) towards the Mudra (Micro-Units Development & Refinance Agency Ltd.) Scheme.
- The Securities and Exchange Board of India (SEBI) has limited the Total Expense Ratio (TER) charged by mutual fund houses having equity assets up to Rs. 500 billion (USD 7.1 billion) to 1.05%.
- NBFCs are gaining eminence in retail finance by financing more than 80% of the equipment leasing and hire purchase activities in India.
- The government's focus on the infrastructure sector is providing an impetus to NBFCs engaged in the infrastructure financing space.

OUR BUSINESS OPERATIONS:

Dhenu Buildcon is a medium size NBFC engaged in the sole business segment of financial services. During the year, the Company has marked income of Rs. 57.55 lakhs, which has increased from the preceding year's income of 3.02 lakhs. In the road of profit making, Company is still struggling and incurred a loss of Rs. 33.46. A rapid fluctuation in market activities due to ongoing amendments in business sector are the challenges which Company is facing and striving to find news ways to come back in the profit track.

OPPORTUNITIES AND THREATS:

Report from the World Bank indicate that Non Banking Financial Institutions act as critical pillars contributing to macroeconomic stability and sustained economic growth and prosperity.

The Biggest Challenge before NBFC is that they are facing stiff competition from Bank & Financial Institutions, due to their ability to raise low cost funds which enables them to provide funds at much cheaper rate. More stringent Capital adequacy norms have been stipulated by RBI for NBFC which is making difficult for them to give cheaper finance.

The Company believes that worked upon continuously through a very sharp learning and unlearning in order to achieve operational excellence.

SEGMENT-WISE PERFORMANCE:

The Company is operating on only one broad segment i.e. financial services. Hence separate segmental reporting is not applicable. The Company has no activity outside India.

OUTLOOK:

India has a lot of un-banked and under-banked consumers and businesses. Hence there is a lot of potential for NBFCs, which can still be tapped. The NBFCs and Housing Finance Companies (HFCs) are being recognised as being vital for growth. Regardless of the recent panic, NBFCs are here to stay and play an important role in economic growth and financial inclusion. Given the crisis and despite concerns surrounding the sector, NBFCs with robust business models, strong liquidity mechanisms, governance and risk management standards are well positioned to take benefit of the market opportunity.

The Company wishes to diversify its lending activities in the coming period and shall embark on this path and move forward once the existing investments, which are at an incubating stage begin to bear fruits.

In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. To
the Members of

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone **Ind AS** financial statements of **M/S. DHENU BUILDCON INFRA LIMITED**. ("the Company), which comprise the Balance Sheet as on 31st March, 2019, the Statement of Profit and Loss and Cash Flow Statement for the year ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2019, and its loss and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Management and Board of Directors of the Company are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial control, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements Ind AS that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may

cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls over financial reporting of M/S. DHENU BUILDCON INFRA LIMITED (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to you, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
